All Applied Behavior Analysis Linkage – Provider Type 85

Provider type (PT) 85 (Applied Behavior Analysis) providers are reminded of the following requirements regarding their enrollment in Nevada Medicaid:

- Individual PT 85 providers may only link to PT 85 groups.
- Group PT 85 providers may only link PT 85 individuals.

Note: Individual PT 85 providers who are dually enrolled with multiple provider types under one National Provider Identifier (NPI) are required to enroll with a unique taxonomy code for each provider type for billing purposes.
